To the Selection Committee:

I would like to nominate my wife, Marilyn Broadwell Martin, to the Green Hope High School Hall of Fame. Proverbs 31:10-31 describes her: "Who can find a virtuous woman? For her price is far above rubies." The fact that she is a great teacher and mentor is positive proof that she was blessed to have good Christian teachers at Green Hope High School. We were married June 26, 1954 and were blessed with 6 children and 20 grandchildren. She has been my great inspiration, wise partner, and trusted counselor.

Marilyn is the matriarch of our family and has loved, taught, encouraged, supported, and disciplined our offspring in a wonderful way. She is our grandchildren's head cheerleader and mentor in a variety of sports and activities.

Marilyn played basketball for five years starting in the eighth grade. In 1951, as a senior, she received the Coaches Award for Most Valuable Player. That year she also edited the only yearbook the original Green Hope High School ever had and was voted by her classmates as Most Popular.

Since we began dating in 1953, I have been impressed with Marilyn's love for children. I was teaching 12 and 13-year-old boys at our church, and they responded to her love in a very positive way. She is immediately attracted to all children and always converses with them.

A testimony of her love for children was exhibited in 2002 when she donated land for the new GRACE Christian School, scheduled to open in September 2003.

Sincerely,

David J. Martin
